Don't blame your age for poor hearing

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone answering this advertisement.

True, all hearing problems are not alike . . . and some cannot be helped by a hearing aid. But audiologists report that *many can*. So, send for this non-operating model now. Wear it in the privacy of your own home to see how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 9922, Beltone Electronics, 4201 W. Victoria St., Chicago, Ill. 60646.
